### PROGRAM DETAILS:

In 2010, the Global Undergraduate Exchange Program - Pakistan (Global UGRAD-Pakistan) was launched by the Bureau of Educational and Cultural Affairs (ECA) of the United States Department of State. The program in Pakistan is administered by the United States Educational Foundation in Pakistan (USEFP) and in the United States by the International Research & Exchanges Board (IREX). The Global UGRAD program is designed to award undergraduate Pakistani students enrolled at a university in Pakistan. The Global UGRAD-Pakistan program offers cultural/academic exchange through a non-degree program for a semester at a university in the U.S.

### PROGRAM GOALS:

The program is intended to promote mutual understanding between the people of the United States and the people of Pakistan and provides full-time undergraduate students from Pakistan with the opportunity to enrich their education and experience through one semester of full-time, non-degree academic study in the United States. The program will also expose fellows to the principles of social responsibility in the U.S. through a community service component.

### GRANT BENEFITS:

The educational grant will cover the following benefits:

- Round-trip airfare from home city to and within the U.S.
- Tuition and mandatory university fees
