

**NTHP reaches the TCF High Achievers  
INFORMATION SESSION  
IBA Main Campus, Karachi, February 5, 2014**

**Monday, November 09, 2015:** NTHP office representatives actively participated in an annual career fair of TCF on November 07, 2015 at TCF Qayumabad Campus. The counselling session was designed for the current matric students to discuss about the National Talent Hunt Program as a life changing opportunity by informing about the IBA & NTHP including eligibility criteria, process of application and preparation guidance for test with the examples of TCF & IBA alumnus life story to motivate and encourage current matric students of TCF. Active participation of TCF students taking interest in National Talent Hunt Program keep us energized throughout the whole three hours session. Our best wishes are with TCF students and TCF administration for arranging counseling session for their career.
