The logistics, management of the sessions and coordination of the program was carried out exceptionally well by the OGDCL Pakistan, Meezan Bank Limited and the Project Management Unit(HED), Govt. of Khyber Pakhtunkhwa team members. Without their zeal and support for the cause and their help in the execution of the program, we would not have been able to reach so many target audience and had the chance to offer meaningful opportunities to the talented students of Khyber Pakhtunkhwa. We shall continue to work towards creating its impact in our society, especially in the domain of education.
