

Success Stories

Virwani Anju – District Ghotki (Batch 2013)

"This program came into my life like a shining star, which ended the darkness and polished my inner talent. I am really thankful to IBA Karachi and Community Development Program - CDP for providing me such an opportunity, which groomed me through different activities. This program provided me a path to achieve my goals"

Shaista Khan – District Larkana (Batch 2013)

"Expand your Horizon with IBA Foundation Program, this line inspired me to join this program. I learned to struggle after failures in this program. It helped me to clear the vision of my life. Foundation Program gave me a purpose to strive. I would personally like to thank IBA Karachi & CDP – Community Development Program for such a wonderful experience."

Baber Mansoor – District Hyderabad (Batch 2013)

"In interior Sindh, Medical and Engineering are the only renowned fields. Not many students pursue business education. IBA with its Foundation Program gave us an opportunity to study some new courses and explore new fields. We learnt time management skills, stress management skills and how to adapt to new environments. We were taught new subjects, which we had never studied in our past. It was a life changing experience and I hope it will also help us to improve our daily lives."

Sohaib Siddique – District Mirpurkhas (Batch 2013)

"It was an immense privilege for me to enroll with the IBA Foundation Program. The accommodation and facilities were excellent and above all, the environment of IBA was best to get education for six months. I am very thankful to IBA Karachi and Community Development Program - CDP for letting me have this opportunity"

The dawn of success

What's IBA Sindh Foundation Program 2014?

In collaboration with the Community Development Program (CDP), Planning & Development Department, Government of Sindh; IBA-Karachi is launching this Sindh Foundation Program for the talented and deserving students, residing in the Sindh region. All expenses for the Sindh Foundation Program will be mutually borne by IBA-Karachi and Sindh Government.

What does it aim to achieve?

The objective of the six-month long Sindh Foundation Program is to indent the meritorious-cum-needy students from the less privileged districts of Sindh, and to prepare them for confidently fulfilling the entrance requirements of IBA or any other institution, for the undergraduate programs.

What makes you an eligible candidate?

- ◆ Intermediate (F.Sc./F.A./HSC) from any Government recognized Board of Education – Sindh, in the year **2013**
- ◆ A result of **70% or higher** in the Board Exams of Intermediate Education, Sindh
- ◆ A domicile of Sindh
- ◆ Fulfilling the HEC criterion for "Financial Support for Meritorious Needy Students"
- ◆ Belonging to a Poor & Needy family of Sindh

How does the assessment test & interview work?

1. Shortlisted candidates will be called for the assessment test based on Matriculation curriculum, comprising of English and Mathematics MCQ's.
2. Based on the performance in the assessment test, candidates will be called for the panel interview.

What key features to keep in mind?

- i. The Program will be based on merit-cum-need consideration.
- ii. A training of 6 months prior to the IBA entrance examinations for BBA/BS, so the Program will start in December and finish by the end of May.
- iii. The inducted trainees will be provided full lodging and boarding with tuition free of cost, plus a small stipend to cover other personal expenses.
- iv. The core courses include English Grammar & Composition, Mathematics, Introduction to Computer Applications, Principles of Microeconomics, Principles of Accounting and Presentation & Communication Skills. The Program also emphasizes on personal development and interviewing techniques.
- v. Upon completion of the Program, the trainees will have to appear for the IBA aptitude test to enroll into BBA/BS Degree programs.
- vi. Those selected for admission, will have to apply for scholarships via regular scholarship schemes. The Scholarship Committee will then decide the need criteria.

What features and facilities are being provided?

- i. The class size will consist of nearly 40 students.
- ii. All trainees will be expected to live together at the IBA run and managed premises.
- iii. Pick and Drop facility will be provided to the students for the hostel.
- iv. Female students will be provided separate accommodation in STHP Girls Hostel (under construction) under the direct supervision of a designated lady staff member.
- v. Extracurricular activities such as sports, cultural events, debating contests would also be organized.
